To claim their prize, a player shall provide their complete contact information to the Commission via email or USPS with their full name, address and age verification. All requested information and required documentation must be received by the Commission within 30 days of the date of winning notification. Failure to comply will result in the Prize Pack being forfeited and the prize will be awarded to the first available alternate winner.

All prizes will be awarded within 30 days of the required forms and documentation being received by the Commission. Prizes will be sent via USPS or FedEx with tracking so delivery can be confirmed. The Commission shall not be responsible for any prizes lost, damaged or stolen during shipment, pick-up or use.

The name of the winner, the city/town and state they reside in, and prize won will be posted on the Commission website, social media and newsletter.

#### **CHILD SUPPORT INTERCEPT:**

Pursuant to RSA 284:21-v, the Commission is required to review all lottery prize claims subject to federal tax reporting with a child support database provided by the New Hampshire Department of Health and Human Services, Division of Child Support Services (DCSS). In the event that a winner of any prize package described above owes child support, the winner shall have 5 days from the draw date to settle the total arrearage due as determined by DCSS. Failure to settle any arrearage shall result in that winner's prize package being forfeited and the package will be issued to the first available alternate winner. The original winner(s) owing child support shall receive no other prize or compensation from the Commission related to this game.
